Preface

Schools in Manitoba - Écoles du Manitoba is a comprehensive provincial directory of all schools, school divisions and districts. The directory includes addresses, telephone and fax numbers, as well as e-mail addresses for schools, school divisions and districts. It also contains the number of teachers and students, and the grade range in each school supplemented by an indication of the programming offered such as English, Français, French Immersion and Heritage Languages.

Schools operating on a semester system are identified as shown in the key, which is printed below. The symbol (H) represents a Hutterian school. In addition, a provincial summary of the number of schools and programs offered in the Public School System can be found on page 13.

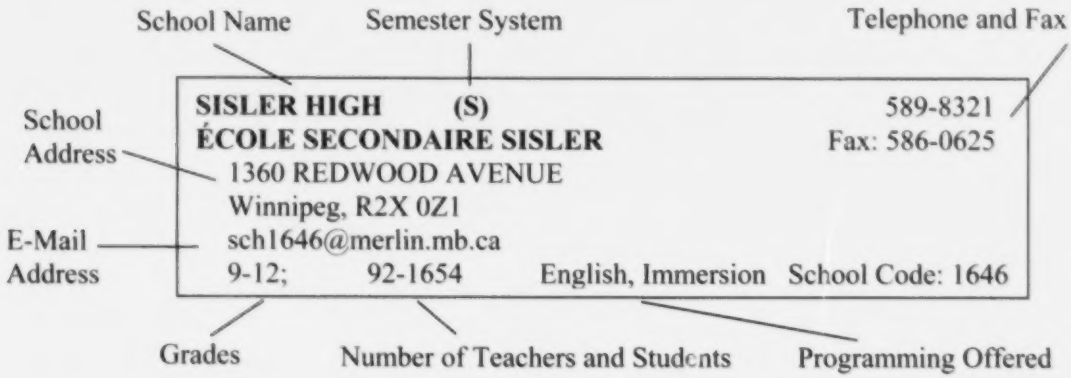
The school code assigned to every school by Manitoba Education, Citizenship and Youth is provided and should be used as a reference number in all correspondence between schools and the department.

To accommodate frequent requests for summary information, school division and district listings include the total number of elementary and secondary schools. Elementary schools are defined as those that offer K-8 programs and, in secondary schools, 9-12 programs. Consequently, the number of elementary and secondary schools does not necessarily correspond to the total number of schools in a division or district since schools offering K-12 are counted as both an elementary and a secondary school. The number of teachers represented for schools is the count of teachers in each school. Teachers working in more than one school would, therefore, be included in the teacher count of both schools. As a result, the sum of the teacher counts in each school may be greater than the total teacher count presented in the summary information for each division.

The primary purpose of this publication is to provide contact information. Therefore, contact information for schools or division resource centers that do not report enrolment is included in this publication but those centers are not included in the count of schools presented in the divisional or provincial summaries.

Additional copies of *Schools in Manitoba - Écoles du Manitoba,* 83855 may be purchased in PDF or Excel format from the Manitoba Text Book Bureau, P.O. Box 910, 130-1st Avenue West, Souris, Manitoba, R0K 2C0; orders can be placed online at www.mtbb.mb.ca by calling 1-866-771-6822 (in Manitoba and Saskatchewan) or (204) 483-5040 (outside Manitoba and Saskatchewan). It is also available on line at http://www.edu.gov.mb.ca/k12/schools/index.html

This directory was compiled by the Education Administration Services Branch of Manitoba Education, Citizenship and Youth from information submitted by schools, school divisions and districts in September 2008 and reflects that data as accurately as possible.



Préface

Schools in Manitoba - Écoles du Manitoba est un répertoire provincial détaillé de toutes les écoles, de toutes les divisions et de tous les districts scolaires du Manitoba. Ce répertoire comprend les adresses, les numéros de téléphone et de télécopieur, ainsi que les adresses de courriel des écoles, des divisions et des districts scolaires. Il comprend également le nombre d'enseignants et d'élèves, les années d'études de chaque école, ainsi que les programmes offerts tels que : anglais, français, immersion française et langues ancestrales.

Les écoles qui suivent un système semestriel sont indiquées par la lettre S comme dans la légende qui figure au bas de la présente page. Le symbole (H) représente une école huttérienne. De plus, vous trouverez un sommaire du nombre d'écoles et de programmes offerts dans le système d'écoles publiques à la page 13.

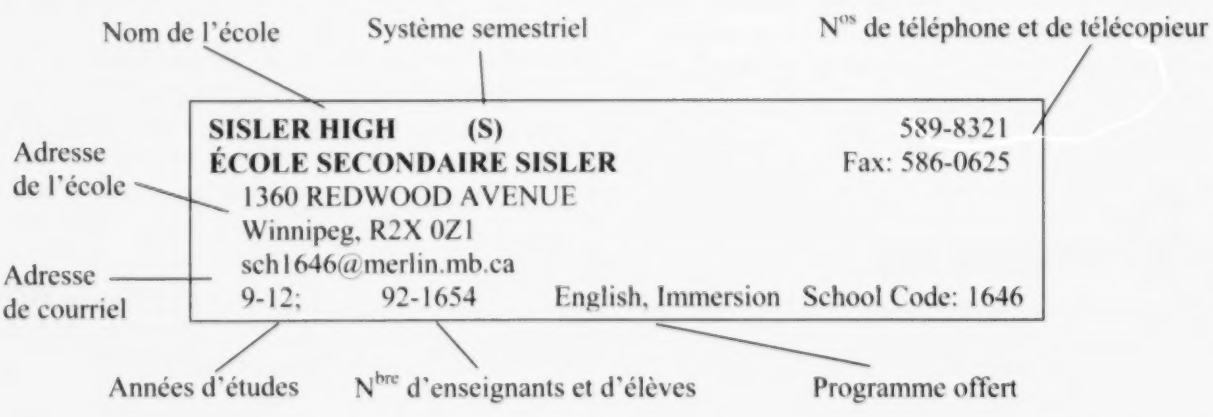
Le ministère de l'Éducation, de la Citoyenneté et de la Jeunesse attribue un code à chaque école. Ce code de l'école devrait être utilisé comme numéro de référence dans toute correspondance entre les écoles et le Ministère.

Afin de répondre aux demandes fréquentes des renseignements récapitulatifs, les tableaux introductifs des divisions et des districts scolaires comprennent le nombre total des écoles primaires et secondaires. Les écoles primaires sont les écoles qui offrent un programme de la maternelle à la 8^{e} année et les écoles secondaires offrent un programme de la 9^{e} à la 12^{e} année. Par conséquent, le nombre d'écoles primaires et secondaires ne correspond pas nécessairement au nombre total d'écoles d'une division ou d'un district scolaire puisque les écoles qui offrent un programme de la maternelle à la 12^{e} année sont comptées deux fois, c'est-à-dire comme une école primaire et comme une école secondaire. Le nombre d'enseignants indiqué pour les écoles est le nombre total d'enseignants dans chaque école. Les enseignants qui travaillent dans plus d'une école sont, pour cette raison, compris dans le nombre total d'enseignants des écoles où ils enseignent. Par conséquent, le nombre total d'enseignants dans chaque école pourrait être plus élevé que celui du nombre total d'enseignants indiqué dans les renseignements récapitulatifs de chaque division scolaire.

Le but principal de cette publication est d'offrir des renseignements généraux. Par conséquent, les renseignements généraux pour les écoles et les centres de ressources divisionnaires qui ne nous communiquent pas d'inscriptions sont compris dans cette publication, mais ces centres ne font pas partie du total des écoles présentées dans le sommaire des divisions scolaires ou le sommaire des données statistiques provinciales.

Vous pouvez faire l'achat d'exemplaires supplémentaires de la brochure *Schools in Manitoba - Écoles du Manitoba (*83855), en format PDF ou en format Excel, au Centre des manuels scolaires du Manitoba, C. P. 910, 1st avenue West, bureau 130, Souris (Manitoba) R0K 2C0, par Internet au site Web <www.mtbb.mb.ca> ou en composant le 1 866 771-6822 (au Manitoba et en Saskatchewan) ou le 204 483-5040 (à l'extérieur du Manitoba et en Saskatchewan). Ce répertoire est également offert en ligne à l'adresse suivante : www.edu.gov.mb.ca/m12/ecoles-mb/index.html.

La Direction des services d'administration scolaire du ministère de l'Éducation, de la Citoyenneté et de la Jeunesse du Manitoba a élaboré ce répertoire en fonction des données soumises par les écoles, les divisions et les et les districts scolaires en septembre 2008 et tous les efforts possibles ont été faits pour en assurer l'exactitude.



Working collaboratively with schools, school divisions and stakeholders in supporting the use of technology in improving educational services to learners.

WHAT MERLIN CAN DO FOR YOU...

Consulting - Provides an impartial review and assistance for schools in assessing their technology needs.

Provincial Licensing / Purchasing - Negotiates software licensing agreements and offers advice and assistance on software.

Connectivity - Continues to work towards improving connectivity for schools and school divisions within the Province including advice and facilitating access to high-speed direct connect services.

Internet - Includes the hosting of web sites, web-based applications and internet services such as content filtering, email anti-spam / anti-virus solutions, email list service and webmail.

Partner Programs - Offers an innovative program to public and funded independent schools which includes a bundled service package that translates into major cost savings.

General support to the education community - MERLIN provides help desk support, training, professional development and other support services.

"Mountain View School Division has benefited from our partnership with MERLIN and will continue to look to build upon this relationship in the future. MERLIN has outstanding people with the vision required to solve issues long before becoming problems and it is great to work with such an enjoyable group of people we have come to trust and rely on."
